Headwear and bags

30L Backpack

Color: Black
Size: 30L
Price: € 95*

Engineered for comfort and durability the Zhik 30L backpack is just the right size for daily on the fly use. Whether that be a commute to the office or a trip to the boat, this bag will survive the rigors of everyday life and then some.

Water resistant fabric to keep your essentials dry in all but the wettest conditions while durable Duraflex hardware will ensure knocks and scrapes are shaken off. Dedicated compartments for shoes and your laptop keep contents clean and protected while multiple internal sections allow enough storage for a multi activity day. Accessing the main compartment is easy by utilizing the top loading entry or lay flat with the oyster shell opening.

Zhik Team Sports Cap

Colors: Navy or White (with white/black Dragonfly logo)
Size: Unisex
Price: € 30*

A lightweight stretch cap with 5 panel construction designed to be worn on and off the water. Featuring a durable and fast drying outer fabric and laser cut holes for added ventilation. Easily adjustable to fit your head size, keeping you comfortable and sun protected all day long.

Zhik 65L Regatta Holdall

Colors: White (black logo) | Size: Unisex | Price: € 150*

The 65L Holdall is a large carry bag, perfect for when you need to take lots of gear with you to your next regatta. Built with a heavy duty construction and water resistant fabric, this bag features an expandable waterproof pocket for all your soaked or used items, stowable backpack style straps with mesh lined padding and a removeable shoulder strap, plus convenient side pocket and internal pockets. A great choice for travel or changing conditions, when you need to take lots of gear.

Zhik Broad Brim Hat

Colors: White (black logo)
Size: Unisex
Price: € 40*

Our broad brim hat provides full sun protection for those who want to stay extra sun safe. Utilizing a fast drying and durable outer fabric combined with functional features such as hard peaked front brim, dual chin straps to secure the hat to your body or around the chin and laser cut ventilation for added airflow.
